MIDDLEBURY CAMPUS

VOL. XXXIX MIDDLEBURY COLLEGE MIDDLEBURY, VT., MARCH 4, 1942 No. 19

Navy V-1 Program Is Offered

Sophomores and Freshmen May Apply in New Arrangement

METHOD LEADS TO V-5 OR V-7 STATUS

Freshmen and sophomore men may qualify as aviation cadets or reserve midshipmen and also finish their college educations according to the new V-1 plan announced at a conference on preinduction military training attended by Dean Ennis B. Womack the weekend of February 20.

The men affected by this plan have until the end of this academic year to enlist. Next year's freshmen will have to register as soon as the college year begins, whether it be summer or fall, if they want admittance to the V-1 plan.

Explanation of Plan

This new navy V-1 program will make it possible for 80,000 college men between the ages of seventeen and nineteen to voluntarily enlist in class V-1 of the Naval Reserve as second class seamen. These applicants must pass the physical examinations and it is planned that they will continue in college in an inactive duty status, at their own expense, for the equivalent of two academic years.

After one and one half years of college work, applicants who have enlisted in their freshmen year will take a navy comphrensive examination. Having passed that exam, and the physical for reserve officers, approximately 15,000 men will be transferred to V-7 enlistment status and permitted to continue college and obtain their degree. These students will have to take extra curricular work acceptable to the Navy department.

(Continued on page 4)

Constitution Of Student Union Being Revised

Revised and completed, the Student Union constitution awaits only the advisors' approval before being submitted to student vote, which will probably take place during the coming week.

The new government circumscribed by the constitution proposes to take the form of a senate composed of a representative for every ten women in college. Only the president is to be elected from the entire Women's College. Other offices are to be filled by voting in each dormitory.

Having been recently revised by the Legislative council, the constitution is expected to secure student approval in order that the new form of government may be adopted by the incoming officers at the time of spring recess. Nominations for these offices will be announced in several weeks by the nominating committee of Student Union.

In the present form the constitution provides for each dormiitory to elect representatives in proportion to the number of occupants. Forest East and Forest West halls will each have six representatives to the government. Hepburn hall will, as a body, elect ten members, Pearsons hall seven, and the Chateau four. Battell cottage will vote for three members, while both the Homestead and Jewett-Wilcox will have one representative apiece. Day students will also be represented by one member.

Judical business will be handled both through the dormitory councils and through one large council which will deal only with the less routine cases. These provisions, however, are not official until they secure both advisory, and student approval.

BOARD TO MEET WITH STUDENTS

In a move designed to further a clearer understanding between the Administration and the Men's Student Assembly, the latter body, at a special meeting held on Monday, March 2, proposed that a panel discussion be held next Friday night, among Administration and Assembly representatives. The discussion, though limited to the six-man Assembly committee and the members of the Administration present, will be held before a closed meeting of the Assembly in Gifford social hall.

Topics to be discussed fall under three main headings:

I The importance and functions of the Men's Student Assembly.

II The independence of the CAMPUS and its officers.

III The position of students regarding the dismissal or retention of faculty members.

Members of the Administration who have been invited by the Assembly to discuss these questions, are Pres. Paul D. Moody, Acting Dean Ennis B. Womack, Dr. Redfield Proctor, chairman of the Board of Trustees, and three trustee members; Mr. Albert S. Brigham of Montpelier, Albert D. Mead of Brown university, and Dr. Elbert C. Cole of Williams college.

The student committee which has already drawn up a list of points for discussion to be forwarded to the Administration representatives this week, was appointed by Rifenberg Monday night. The committee, of which Rifenberg is a member, consists of Stanwood F. Johnson '42, David K. Smith '42, Jack A. Young '43, and George W. Nitchie '43. Roger L. Easton '42 will be present in his capacity as editor of the CAMPUS.

Sunday Activities Retained By Vote Of Townspeople

Movies, baseball, lectures and concerts will be permitted on Sunday in Middlebury for another year, voters of the town decided by Australian ballot yesterday. Licenses for the sale of liquors will also be granted during the coming year.

Educational qualities of lectures and concerts probably accounted for the fact that only 53 voters balloted against permitting them on Sunday, while 397 ballots were cast for continuing the practice. In the matter of Sunday baseball, 365 voted for and 91 against the measure.

Exactly one hundred Middlebury voters thought that movies should not be permitted to be shown on Sunday, but 355 balloted in favor of the proposal. College students may continue to attend Sunday movies for at least another year.

Majorities in favor of granting liquor licenses were not so large. In the sale of malt and vinous liquors, there were 301 votes yes and 165 no; in the sale of spirituous liquors, 273 balloted for an 180 against the granting of licenses.

None of these questions were brought up for discussion at the town meeting, which took place at 10 o'clock yesterday morning in the Town Hall.

HUGO BALZO, PIANIST, TO PRESENT CONCERT

Hugo Balzo, Uruguayan pianist and lecturer, will give a piano concert in Mead Memorial chapel on Tuesday, March 10, at eight o'clock in the evening.

This concert is being sponsored by the Music department and the Spanish department together, and is a part of Signor Balzo's good-will tour, aimed to promote friendship and better understanding between the Americas. Signor Balzo expects to be in Vermont for two days, but his plans are not definite as yet as his trip must depend on plane schedules.

Student Expression, Beck Petition, Smoke Shop Debated By Assembly

Students of Men's College Petition Resignation Of B. H. Beck

REQUEST UPHELD BY RULING GROUP

The two-week-old petition of the Men's College of Middlebury requesting that Prof. Benjamin H. Beck be relieved of his coaching duties, was forwarded on Monday to Dr. Redfield Proctor, chairman of the Middlebury College Board of Trustees, for consideration. No board action is expected to be immediately forthcoming however. The petition, which received the official support of the Men's Student Assembly at their meeting last Sunday evening, contains the signatures of the entire Men's College enrollment, with but three execptions.

Rumors that Professor Beck, who is a mentor of varsity football, basketball, and golf, had resigned his coaching duties last week, are unfounded. When asked on Monday if it was his intention to resign, Beck was noncommittal on the subject. He did offer this statement for publication however:

Beck Statement

"The Editor of the CAMPUS has asked me for a hundred word statement in response to a student petition seeking my resignation. My fourteen year record here in football and basketball can be inspected at the physical education office, and will stand on its own merits, or in comparison with the records of the other state and Middlebury teams, or with any like period in Panther athletic history. A man cannot defend the work of the best years of his life in fifty to one hundred words."

The recommendation by the students that Coach Beck be retired from all other coaching duties, was based "on the charge of inefficiency in discharging his duties as coach" according to the wording of the petition. This is not the first instance of student expression of dissatisfaction with Beck's coaching. As recently as last year, a letter expressing sentiments similar to those of this petition was addressed to the administration by three Middlebury athletes: Samuel J. Bertuzzi '41. William J. Bursaw Jr. '41, and John H. Hicks '41.

In spite of the fact that the last two Beck-coached football teams have produced but a single Middle-

(Continued on Page 4)

PROFITS OF DUTCH DANCE BUY BONDS FOR SCHOLARSHIP

As part of the campaign to sell defense stamps, an informal dance was held last Saturday evening in the gymnasium with the admission price set as fifty cents worth of stamps, plus a slight tax, per person.

William H. Calkins '44 sponsored and promoted the affair, the proceeds of which will be used to establish a scholarship fund in United States defense bonds. During the intermission it was announced that enough stamps had been collected to purchase five twenty-five dollar bonds; in addition, forty dollars in cash were taken in, and the faculty subscription, collected by Edith D. Johansen '44, amounted to another twenty-five dollar bond.

Publicity for the dance was arranged by James B. Scholes '42. Posters were displayed on the campus, and students on their way to Saturday morning chapel were urged to attend by music and promotion talks which blared from a loud speaker installed in a Gifford hall window. The slogan used throughout the advertising campaign was "Dance Dutch for Defense."

The Black Panthers contributed their services to the fund, and the Smoke shop concession turned over an additional amount of fifteen and one half dollars.

Coach Beck

Assembly's Act Changes Status Of Gifford Shop

In a move which in effect changes the status of the Gifford hall Smoke shop from a purely private enterprise to a joint college and student supervised activity, the Men's Student Assembly last Sunday approved a list of revisions submitted by John A. Young '43, chairman of the committee studying the matter.

The motion for the acceptance of the recommendations, made by Harry Rossi '43 and seconded by S. Peter Nikitas '43, was carried unanimously. Chief point among the approved recommendations concerns the hiring of workers, which up to now, has been in the hands of the manager of the store. According to the recommendations, the selection of student clerks will be made in the Dean's office where scholastic records of applicants will have a bearing on employment. It was also ruled that not more than fifty per cent of the employees shall belong to the same fraternity.

Under the reorganization plan which will take full effect next year, the manager of the store is to be appointed from year to year by the outgoing manager. The manager, while retaining his power to fire employees, is himself subject to removal by vote of the Men's Student Assembly. Student suggestions pertaining to the Smoke shop are to go through the Assembly.

Also included in the committee's report were certain responsibilities to be assumed by the management. These consisted of the maintenance of a regular accounting system, the collection of bottles from the Gifford Hall corridors, and the posting and maintenance of regular store hours.

George Sullivan Elected Literary Club President

By a unanimous vote, George W. Sullivan '43 was elected president of the Literary club at the regular biweekly meeting held last Friday evening in Hepburn hall.

Also elected were John Kalajian '43, to be program chairman and Dorothy H. Laux '45, to the post of secretary-treasurer. The new cabinet will assume its duties at the next meeting and will remain in office for the coming year.

After the elections had been completed, the remainder of the meeting was devoted to a discussion of "Ode on a Grecian Urn" by John Keats in which most all of the members participated. Howard R. Friedman '43 gave an analysis and summary of the poem, while Sullivan pointed out its inconsistencies. Edward Arlington Robinson's sonnet, "Reuben Bright" was also considered by the club both for its philosophical content and practical value.

Discouragement Of Student Voice in Activities Is Examined

CAR RESOLUTION WORDING CHANGED

The accomplished revision of the long-standing resolution concerning student use of cars was a secondary issue last Sunday evening as the Men's Student Assembly discussed at length the question of administrative discouragement of student voice in student affairs. At the same meeting the Assembly put itself on record by unanimous vote, as being in sympathy with the circular petition of the Men's College of Middlebury asking that Prof. Benjamin H. Beck be relieved of all further coaching duties.

As a result of the discussion of administrative restraint, immediate steps were taken by the Assembly to have the administration clarify the position and functions of the two chief organs of men's student opinion, the Assembly itself, and the CAMPUS. Acting on a motion brought forward by George W. Nitchie '43, the Assembly decided that a questionaire be drawn up for presentation of the issues to administration representatives at a special meeting of the Men's Assembly next Friday evening at 7:00 p. m. in Munroe hall. According to Speaker Philip W. Rifenburg '42, both President Paul D. Moody and Acting Dean Ennis B. Womack have been asked to attend, and it is expected that they will be present. The CAMPUS will also be represented at this meeting. The whole issue of freer student expression and action was related to the student petition and the car situation.

It was upon the advice of President Moody that the Assembly acted to revise its resolution concerning the student use of cars, and the following rewording of Article I was approved by a 15 to 10 vote of the Assembly: "Seniors are to be permitted unlimited use of cars, at the Dean's discretion". It was feared that the original resolution which made no qualifications whatsoever to unlimited use of cars by seniors, would not

(Continued on Page 4)

Cast Rehearses For Production Of 'Ceiling Zero'

Rehearsals are now under way for "Ceiling Zero," a melodrama in three acts by Frank Wead, which is being directed by Nina C. Camuti '42 and will be given at the college Playhouse sometime in the end of March. The cast (in order of appearance) is as follows:

Buzz Gordon..Donald S. Putnam '42
Doc Wilson..Benjamin F. Bradley '45
Jake Lee....Alfred G. Boissevain '44
Tommy Thomas....Janet Hooker '43
Lou Clark.....Doris E. Wolff '43
Texas Clark....Cranston H. Howe '45
Tay Lawson....John A .Campbell '45
Dizzy Davis.....John A. Hyman '44
Mike Owen,(has not been cast as yet).

A movie production of "Ceiling Zero" which closely followed the script of the original play, appeared a few years ago. The scene of action is laid in the operations office of the Federal Airlines. The plot centers around three pilots who flew together in World War I and have chanced to meet again as mail transport pilots. Dizzy Davis, a pilot becomes interested in Tommy Thomas, an airline hostess engaged to Tay Lawson. To further his own interests, Dizzy switches runs, one stormy night, with Texas Clark who crashes and dies later in the hospital.

Dizzy's grievance over this catastrophe is increased by the revocation of his pilot's license. Unable to bear the thought of being "grounded" for life, he decides that suicide is the only way out.

WHAT PLACE ASSEMBLY

Within the last week the Men's assembly has changed from a slowly dying institution to one which is now attempting to find the reason for its unenvied position. It is attempting to find its position and influence through a panel discussion to be held with administrative officers and trustees at a closed meeting of the Assembly.

This meeting is in no sense a rebellion or an attempt to obtain greater power or influence on the part of the students but is rather an earnest attempt to discover the actual existing powers and influence of the Assembly, the CAMPUS, and student opinion in general.

Unless a different decision is reached at this meeting, none of the proceedings will be secret. It is now planned that all statements and discussion will be subject to publication in this newspaper.

* * * * *

The recent petition on the Men's campus is a direct result of students' lack of faith in the Assembly. If the Assembly had shown any power in getting results there would have been no need of the extra-legal action in the form of a petition which now has or will be presented outside the normal channel of the Men's Assembly.

Had this channel been used the CAMPUS would have been spared the task of having to forestall printing a story of which it was perfectly aware but which a majority of the men students and the administrative officers wished to have kept out of print.

What has been wrong with the Assembly? The inability to answer this question satisfactorily has done much in making the decision to discuss the matter with the men who may know the answers.

COACH BECK

Coach Beck's apparent decision to fight the petition signed by all but three students of the men's undergraduate body has been a disappointment to the entire college.

The petition was not signed because of a poor record in the last two years, although it is true that the record in football dropped from an undefeated season to an unvictorious season in four years. Nevertheless, taking his entire record in account, Coach Beck has one of the best records of Middlebury athletic history.

We maintain that this poor showing in the last two years is not the issue. The undergraduate body would not sign a similar petition in regard to Coach Brown even if his teams never won a contest.

What is the difference? Coach Beck is unpopular as a coach—and that is the reason his dismissal is being requested.

M. JOLIVETTE QUEEN IN NORWICH CARNIVAL

Marjorie J. Jolivette '44, reigned over the Norwich Winter carnival last weekend. She was chosen queen of the snow festivities by a committee of judges made up from the faculty of Norwich university, and was crowned last Friday evening. The coronation ceremonies took place in the armory, where the formal ball was held.

After taking the royal oath with crossed fingers asking for snow, black ice and a Norwich victory, Miss Jolvette was crowned and presented silver trophy with a small replica of the crown superimposed upon it. She was the guest of Cadet Allan Perkins '44 of Norwich university.

Communications

To the President and Fellows of Middlebury College:

It has come to the attention of the Faculty Committee on Athletics that the students of the Men's College have circularized a petition to the Administration requesting the resignation of Prof. Benjamin Harlow Beck on the grounds of inefficiency.

The Committee considers such matters as the employment and discharge of faculty members the exclusive responsibility of the Administration, and considers this method of bringing pressure by petition as extremely unfortunate.

It feels, however, that for the representation of student opinion on such matters properly constituted channels have been provided by their own Constitution, and definitely objects to the method of petition in all such matters.

It requests the Administration to prevent any publicizing of the above petition in College publications as detrimental and harmful to the College, and unfair to the Administration. We urge the prevention of such methods in the future.

Rev. J. E. Walter To Speak Sunday

Under the auspices of the Middlebury First Congregational Church, the Reverend James E. Walter will address college students on Sunday, March 8, at Mead Chapel.

Reverend Walter, whose residence is in Boston, is a Secretary of the American Board of Commissions of Foreign Missions, and also a Secretary of the Missions Council.

A graduate of Yale Divinity school, he has been an assistant minister in one of the Congregational Churches of New Haven,

Upperclassmen Invited To Compete In Literary Contest On World Peace

Essays in competition for the Deacon Boardman Peace Prize, open to seniors and juniors, must be submitted to Pres. Paul D. Moody on or before Friday, May 1.

The essays are to be at least two thousand words in length on the subject: "A method for the peaceful settlement of international disputes." The first prize of $15 and the second prize of $10 will be awarded only if the essays are considered to be of sufficient merit.

The judges for the contest will be Prof. Allan M. Cline, Prof. Richard L. Brown, and Prof. Lynford A. Lardner. The results of the contest will be announced in chapel on May 12.

P. Jennison '44 Voted First In Music Contest

Last week, Mr. Alan Carter sponsored an essay contest, participated in by students taking Music 23, in which he asked for suggestions about future management of the music studio.

Several essays were elected by Mr. Carter and put to votes. The classes chose the essay written by Peter S. Jennison '44, with those by Louise V. Cozenza '44 and Leslie A. Philbrick '44 being runners up for the prize.

Several of the suggestions made by Jennison have been considered and adopted by the music department. He said in his essay that Music 23 should be made into a laboratory course accompanied by a regular fee to cover breakage and replacement of records lost. This policy will be adopted next year.

Jennison also suggested that a reserve room system should be instituted with an attendant present at all times when the studio is in use by the students. This plan has been carried out. Mrs. Erie T. Volkert, secretary to the music department, Warren J. Hassmer '43 and Burt H. Rolfe '44 have been selected as the attendants of the listening rooms. A reserve system, as proposed by Jennison, has been adopted.

Men's Student Assembly Representatives Selected To Fill Three Vacancies

Three new members have been elected to the Men's Assembly to replace former representatives who were dropped either because of non-attendance at meetings or by reason of their having left school.

Richard S. Morehouse '43 and Roy H. Kinsey '45 were elected from Gifford hall to replace Frederic Van de Water '43 and Frederick W. Lapham '43. Carter W. Mott '42 was chosen from the DKE house to replace Ernest D. Frawley '42.

Midd Shades St. Mikes Quintet 47-46 In Finale

Five Resists Last Period Onslaught; Panthers Lead At Half

PEQUINOT LEADS SCORING WITH 20

Staving off a last minute St. Michaels drive, the 1942 edition of the Middlebury basketball team ended its season last Wednesday night with a thrilling 47-46 victory over the Winooski Parkers.

The Purple leaped into a 4-0 lead in the opening moments, only to have Midd tie up at 7 all five minutes after the starting whistle. Johnny McGarry dropped in four field goals in the first half, mostly on rebounds and pivot shots, to lead the attack that gave the Blue and White a comfortable 28 to 21 advantage at half-time. Russ Dale and Freddie Lapham each made three baskets from the floor during this time to offset four baskets and two foul shots by "Peck" Pequinot, St. Mike's captain, and clever playmaker.

"Peck" Leads Attack

The second half started off a phenomenal pace. Four out of the first five field goals attempted were made—also two out of two free throws. Pequinot continued his speedy floor game and set shot artistry to keep St. Michaels within striking distance of the Panthers. Bill Ouimette, playing his last game for the Middmen, and Johnny McGarry worked their effective pass and with several of his specialty set shots. while Freddie Lapham came through with several of his specialty set shots At the half-way mark in the second period, Midd had a 38 to 30 lead, and looked like a safe bet to win.

Visitors Rally

Linehan came through with a couple of free throws and also a two-pointer, and "Peck" tapped in a rebound and dropped a set shot to lead a St. Mike's rally that brought the score to 44-40 with less than five minutes to go. Linehan made another from close in for the visitors, before McGarry tapped one in for the home forces, and Bob Adsit made a foul toss. Pattison came into the game for the Michaelmen, and promptly sunk two baskets. At this point, St. Michael's tricky little captain, who scored ten points in the first half, and ten in the second period, was put out of the game on fouls. With twenty-five seconds to go, and sporting a 47 to 46 lead, Lapham attempted a foul throw and missed. St. Mike's got the ball off the backboard, broke fast down the floor, and missed a lay-up shot and two rebounds in those final seconds, before Adsit fell on the ball as the final gun sounded.

The outstanding man on the floor was Pequinot of the visitors. He scored eight field goals, and four out of four foul shots, to total twenty points. Pinky Ryan's men made ten out of sixteen foul shots, while the Panthers dropped seven out of thirteen. A total of eighty-one shots were taken by the home team, twenty of which went through the hoop. St. Michaels made eighteen out of seventy-two.

Baseball Players Open Daily Drills

Eight Lettermen Among Many That Answer Coach's Call

Thirty-five men answered 'Red' Kelley's call for baseball candidates last Tuesday in the college gym. In this group are eight lettermen left from last year's team and several others who were candidates last year but did not earn letters.

Practice is now being held three times a week in the Gym and will continue as such until the snow leaves.

Coach Kelley hopes for a successful season but as yet no predictions can be made.

The team this year will play a somewhat abbreviated schedule due to the shortening of the college year. Some of the games have been set for earlier dates but in some cases this was impossible. Midd is not alone in this as many other schools have had to cut out spring sports altogether.

Returning Lettermen

Ed Yeomans will captain the team this year as long as his draft board holds out and he will be found on first base. Other lettermen returning are three pitchers, Birch Day, Hal Skinner, and Bill Desmond the latter of two years ago; three outfielders, Ed Shea, Johnny Prukop, and Scott Eakeley; and shortstop Bobo Sheehan. These men will form the nucleus for the team.

Besides the lettermen, six pitchers, five catchers, eight outfielders, and ten infielders are out for the team.

The other candidates are: Lindner, vom Orde, Bishop, Cruess, and Izant as catchers; Bobertz, Plumb, Scholes, Gilmore, Webber, and Wiemann as pitchers; Fleming, E. Fox, Fales, Glazier, George, Kalajian, Marshall, McMann, H. McDonald, and Shovelton as infielders; and Stillman, Mondschien, F. Ensinger, Brown, Lorini, Rooney, Salisbury and Palmstrom as outfielders.

JOHN GALE TAKES VT. OPEN SLALOM

Over last week-end, John Gale brought new honors to himself and Midd by winning the Vermont State Open Slalom Championship over the course at Pico, near Rutland.

Out of a starting field of 79 skiers, the field was narrowed down after the first round to 30 men. Skiers were present from Williams, Dartmouth, and other teams which Midd has met as well as men from ski clubs, and several unattached skiers.

Ski Team Season Record

Lake Placid Sno Bird Meet,	First
Williams Carnival	Second
Dartmouth Carnival	Fifth
I. S. U. (Midd Carnival)	Third
Norwich Carnival	Second

BILL BOARD

By Calkins

IN MEMORIAM

To Ira Peabody Townsend '42—captain, coach, leading scorer, and inspiration of the Panther ski team. Ike fulfilled his season-long ambition Saturday, when he defeated his home town rival, Ralph Townsend of New Hampshire in the Norwich cross country race. Ralph only placed eleventh, as Ike led the field by three minutes.

Ike has been in the top bracket of scorers in cross country, downhill, slalom, and both combined events during four years of varsity competition at Midd. This year he also took over he coaching reins and has done a very commendable job. Way back in the October 8th issue of the Campus, we saw that Ike and his crew were up on the mountain preparing the trails for winter weather. We could ramble on indefinitely about Ike's spirit, leadership, and hard work—but we'll just say—Nice going Ike!

To Stanwood Francis Johnson '42—hard luck leader of this year's hockey team. Stan has had everything from a broken hand to a concussion this year. Entering the last game of the season last Tuesday, captain Stan felt swell—until he crashed into the boards and came up with a concussion. Despite his injuries, Stan'l was in there fighting the whole season, and he made a good center and captain.

To Wilfred Thomas Ouimette '42—husky captain, guard, and playmaker of the Middlebury quintet. Will came to Midd in his sophomore year and was a regular for the past two years. "Oui" was a good team man, and set up many scoring plays with his passing. His offensive drive made him a valuable man.

To the departing members of the hockey team—Dixie Davis, veteran goalie, is one of the main reasons why Middlebury has been able to schedule such teams as Colgate, Northeastern, and New Hampshire, and still keep close to a fifty-fifty season's record. Will Mayo is the other senior standby on the defense—he also was a constant offensive threat. Tony Wishinski played defense in past seasons, but resigned in favor of studies the second semester this year. Don Putnam stuck it out for four years, playing in the front line in most of the games this season. Reggie Wooldridge has, of course, departed for parts unknown for Uncle Sam—but his fine play on the starting line this year while he was here deserves mention.

To the courtmen who are leaving—Parke Wright has alternated between the bench and the starting line-up this year, and is noted for his accuracy at the foul line. Russ Dale may depart for the army before the next season reels around—if, so we'd like to say that Russ has shown a lot of improvement this year, both in scoring ability and agressiveness.

SEASON'S END

Looking back over the record book, Midd's outstanding team representative is the ski team. Panther fans can relax and wax conversational when their friends back home start talking about collegiate skiing—for Middlebury ranked in the top three, along with New Hampshire and Dartmouth this year . The record is all the more impressive, when we remember that the students did it all themselves, while other teams went in for hiring high-priced coaches.

The Pucksters did all right, too. Except for let-downs in the Norwich and Alumni games, the Blue and White skaters stayed right in there with the best of them. Incidentally, Colgate put one of the finest college hockey teams on the ice that we have ever had the privilege to watch—we still think of that game as the highlight of the season.

A potentially average basketball team went through a decidedly mediocre season winning only two games—both from a defeat-ridden St. Michael's quintet. Developing offensive punch as the season progressed, the Middmen ended the season with a victory to help remove some of the sting from earlier defeats.

Skiers Second to N.H. In Last Meet Of Season

Ike Townsend Leads Panther Rally At Norwich; Middlebury Wins Cross Country Event; Gains A Second in Jumping

PANTHERS TAKE SECOND IN COMBINED

By copping first in the cross country and second in the combined, Middlebury's ski captain, Ike Townsend, piloted the Panther brigade into second place behind New Hampshire at the Norwich Carnival last Friday and Saturday, February 27 and 28.

For the first time in his career, and in his last ski meet for the Blue and White Capt. Townsend beat out Ralph Townsend, New Hampshire's consistant winner in the langlauf, who placed eleventh. Ike's time for the course was O:48:17, or three minutes better than the second place man, Allison Merrill. The other Panther ski birds offered material assistance in this race as Bob Sheehan, Pete McKee, Bill Hawkes, and Cliff Hendrix placed in the first twenty to give Middlebury 96.4 points and first place. New Hampshire, 93.1; Williams, 89.8; Norwich, 88.0; Dartmouth, 87.2; and Vermont, 68.1 followed in that order.

Cadet Robert Sawyer won the jumping with a score of 218.5. Team honors, however, went to New Hampshire, as the wildcats rolled up 97.5 points, followed by the Middmen who accounted for 93.7 points. Phil Dunham was the main stay in this event with the longest leap of the day. His jumping stood the outfit in good stead and he emerged third in individual scoring. Bob Sheehan and Cliff Hendrix placed seventh and tenth respectively, and Ike Townsend eighteenth.

Ike Townsend and Bob Sheehan paced the Panthers on the downhill course . Ike gathered a third place and Bob was not far behind with a fifth.

Midd slipped badly in the slalom—the first man was Townsend in thirteenth place.

Wildcats Win Combined

New Hampshire captured first place in the cross country and jumping combined with a team score of 96.3 points. Al Merrill, led the field with 424.6. Ike Townsend kept up the good work and held a well earned second to the tune of 403.7 points. Dave Brown of Williams scored 399.9 to take third. The Middlebury aggregation placed three other men to cinch second place in this event. Bob Sheehan, Cliff Hendrix, and Phil Dunham came out fifth, twelfth, and twenty-first respectively.

Dartmouth Stars Absent

The poor showing made by Dartmouth, in that the Indians managed to gain no better than fifth place, was due to the absence of most of the Big Green ski stars, notably Capt. Nunnemacher, Bob Meservy, Rog Simpter, and Moe Distin who spent the weekend at McGill

At the end of the first day's activities, the Blue and White skiers were in last place. It looked like another Dartmouth Carnival until the cross country results rolled in—and then the jumping. Placing men 1-5-7-9 in the langlauf catapaulted the Panthers up among the leaders, and the three places in the first ten in jumping plus a second, fourth and twelfth in the combined gave Middlebury the second position in team standings.

FINAL TEAM STANDINGS

1—New Hampshire	580.2
2—Middlebury	**556.3**
3—Norwich	548.8
4—Williams	542.7
5—Dartmouth	520.6
6—Vermont	498.7

DU TURNS TABLES ON DKE IN RELAY

KDR, Dekes Share Crown In Hockey; To Meet In Handball

After attempting to replay the disputed game between the Dekes and KDR, it has finally been decided to call off the game and count it a tie for the championship in hockey. Twice the game has been called off for lack of good ice. The replay was necessary when a disputed goal ended the first game between the two rivals. It was later found that the game could not count for the goal was scored after the final whistle. All attempts have finally been abandoned for replaying the game as there can be no certainity as to the condition of the ice.

Turning the tables on the Dekes, DU took the two-lap relay title Monday. DKE had taken the one-lap title previously and the two rivals met in the final again. Besting all previous times, the DU's led by a close margin all the way but they only beat the Dekes by seven-tenths of a second. The winning time was 2:18.35 for the eight laps while the Dekes managed the course in 2:19. These times were the best of the whole meet. The winning combine was R. Fox, Morehouse, Hollister, and F. Hawkes', anchor, while the losers were Rooney, Shea, Sackett, and Ken Cosgrove anchor. BK once again took third place, this tim from ASP.

Handball Finalists

In handball the finals have been reached. KDR defeated Chi Psi two to one. Howard Quirk and Joe Webber both took their matches but Dick Fales bowed to Charlie Baird of Chi Psi. The Alpha Sigs dropped their semi-final match to the Dekes, despite a win by Tom Cruess, individual intramural champ, over Ken Cosgrove. Bob Sheehan defeated Scott Eakley, and Don Roberts took the measure of Hal Skinner, to provide the margin of victory.

Blue And White Fencers Engage Bostonians Here

Its scheduled match with St. Lawrence postponed, the fencing squad is now looking forward to this Saturday when a team from Boston College will journey to Middlebury for a three-event contest with the Panther foilsmen to take place in Hamlin hall at 3:00 o'clock.

Although this is the first meeting the team has had with B. C. this year, it has two victories over the Bostonians from last year still to its credit. John Corbin, Bill Small, and Henry Cady will be the three lead-off men for Midd in the foil, epee, and sabre, respectively. George Hartung, reliable freshman recruit who compiled the best individual foil record in the Amherst meet, will support Corbin with the foil in this match as will ever-dependable George Nitchie. Lew Haines and Nitchie will join Small in the epee bouts and Haines, Corbin, or Nitchie will follow dextrous Hank Cady in the slashing sabre field.

Debaters Win Two Lawrence Awards

Unterecker And Pressman Given Prizes In Contest With UVM Team Friday

In Burlington last Friday, at the annual debate for the Edwin Winship Lawrence prize, John E. Unterecker '44 won second prize of $15, while Charles Pressman '44 received $10 in third place.

There were three prizes awarded to those debaters who, in the judges' opinion, performed the best in the ten minute speech and five minute rebuttal assigned to each man. The men's team, taking the affirmative side on the topic of whether the United States and the British Commonwealth of Nations should form an alliance immediately after the end of this war to maintain world peace, lost to the University of Vermont.

Next Friday the debating team will meet Drew university at 8:00 p. m. in Munroe auditorium. The question will be, "Resolved: That Youth has a fair opportunity under the American system of competitive enterprise." Unterecker and Pressman will represent Middlebury on the negative side.

Included in the forthcoming spring schedule are debates with Wesleyan, Yale and M. I. T.

Lower Classmen May Enlist in Naval V-1 Plan

(Continued from Page 1)

Following these same requirements, 20,000 of the 80,000 men will train for aviation cadets under the V-5 program. These men, after completing two academic years work, will be ordered to flight training at a rate to be determined by the service needs.

The balance of approximately 45,000 men will be enabled to finish two years of college work, after which they will be ordered to active duty at naval training stations in preparation for actual duty with the fleet. If the scholarship requirements are not met by those intending to transfer from the V-1 plan to either the V-5 or the V-7 plan, they will have to go into duty as seamen as they will still be considered members of the Navy.

The conference placed special emphasis on courses in physical training, mathematics, and physics. However, the armed forces do not want to regiment college curriculum. Dean Womack, who represented Middlebury at the conference, stated that Middlebury has submitted a program of courses to the authorities and upon its approval Middlebury men will be eligible for the V-1 plan.

167 universities and colleges were represented at the conference on pre-induction military training held under the leadership of the Institute of Military Studies at the University of Chicago.

STUDENTS TAKING FIRST AID COURSE

Part of the defense of the college is the standard first aid course now under way, and taught by Mr. William Crawford of Middlebury. Selected students from both men's and women's colleges, who will be responsible for first aid in their houses or dormitories in case of emergency, are taking it.

This is the first time the standard first aid course of the Red Cross has been given here to students. It will be repeated later this year and again next year. The course is being given every Thursday night from 7:00 to 9:00 and will be continued until twenty hours have been completed.

Fifteen junior and sophomore women and eighteen men are enrolled at present. Another course, advanced first aid, is being given to thirty faculty members and others from the town.

Limits On Student Voice Considered At Assembly

(Continued from page 1)

have met with the approval of the Board of Trustees.

The other two articles of the resolution remain unchanged, and will be submitted to the trustees as originally passed by the Assembly early last November. These articles state that the regular car ruling, now in effect, shall continue to apply to juniors and sophomores, while freshmen are forbidden the use of cars except in cases where they are necessary for commuting.

Dates for the elections of class officers and of the president of the Undergraduate Association were set, as the report of Harold H. Hollister '44 chairman of the elections committee, was accepted by the Assembly. Fraternities will hold their preliminary elections and will submit the names of their candidates to the elections committee on March 30. The final elections will take place two weeks later, on April 14.

Election procedure will be substantially the same as that of last year, with one minor change. This year, the same candidate may run for two offices, a class office and that of the president of the Undergraduate Association. According to the new ruling however, in the case that he is elected head of the Undergraduate Association ,his name will be removed from the class officer tally.

Nunnemacher and Lacey

W.A.A. HOLDS MEET ON CHIPMAN HILL

Drawing their winter season to a close on the practice slope of Chipman hall, W. A. A. ski enthusiasts took part in a ski meet there February 26.

Audrey J. Nunnemacher '45 would have won all events with her score of one hundred for both slalom and downhill events if she had not been skiing unofficially.

Recorded victories were divided among Jean E. MacDonald '42, Dorothy E. Stewart '43 and Jean Lacey '45. In the tallying of combined scores, Miss Lacey took the number one position, Miss Stewart placed second, and Miss MacDonald ranked third.
